GOODFACE

## Microdermabrasion Consent Form

I, \_\_\_\_\_, have read the below information and initialed each section to indicate that I fully understand what to expect. If I have any questions or concerns, I will address these with my esthetician. I give permission to my skin therapist, \_\_\_\_\_, to perform the microdermabrasion procedure we have discussed, and will hold him/her and The Goodface harmless from any liability that may result from this treatment. I understand that my esthetician will take every precaution to minimize or eliminate negative reactions, such as blisters, abrasions, or other reactions, as much as possible. I have given an accurate account of any over-the-counter or prescription medications that I use regularly, and am not presently using (nor have I used within the last year) isotretinoin (Accutane). I have not had any facial surgical procedures, piercings, tattoos, permanent cosmetics, or other chemical peels or skin treatments that I have not disclosed to my skin therapist. I am not ingesting or using topically any other over-the-counter product or prescription medication/agent that has not been disclosed to my skin therapist. I am not presently pregnant or lactating and am over the age of eighteen (18). I have not had any recent radioactive or chemotherapy treatments, sunburn, windburn, or broken skin. I have not recently waxed or used a depilatory (such as Nair) on the area to be treated. I do not have a history of keloid scarring, diabetes, any auto immune disease, active herpes blisters, or any other existing condition that may interfere with the positive outcome of this treatment.

Initial \_\_\_\_\_

I consent to the taking of photographs to monitor treatment effects, as desired or recommended by my skin therapist.

Initial \_\_\_\_\_

My expectations are realistic and I understand that the results are not guaranteed, and for maximum results, more than one application may be required. The rate of improvement of my skin depends on my age, skin type and condition, degree of sun/environment damage, pigmentation levels, or acne condition.

Initial \_\_\_\_\_

I agree that I am willing to follow post care recommendations by my esthetician. I will be responsible for following home care regimens that can minimize or eliminate possible negative reactions, including recognizing the importance of using a sunscreen and avoiding the sun, tanning booths, and extreme weather conditions. I agree to use a moisturizer specifically recommended by my skin therapist. I acknowledge that I have been informed of the expected sequence of the healing process (dryness, irritation, redness, and peeling of the skin). If I have additional questions or concerns regarding my treatment, or suggested home care/post-treatment care, I will consult my skin therapist immediately.

Initial \_\_\_\_\_

I understand the potential risks and complications, and I choose to proceed with the treatment after careful consideration of the possibility of both known and unknown risks, complications, and limitations. I agree that this constitutes full disclosure, and that it supersedes any previous verbal or written disclosures. I certify that I have read, and fully understand the above paragraphs and that I have had sufficient opportunity for discussion to have any questions answered.
